# Book Projects-Pick One

Select one project to do when you have finished reading the book and filling out your packet. The project **MUST** be done neatly!!!

<b>Diorama or Triorama</b> Use a shoebox, or Triorama folded paper to depict a scene from the story. Write what is happening in that scene on an index card and turn it in with your project.	<b>Adjective Columns</b> Fold a paper so that it has 4-6 columns. Write a character name at the top of each column. Fill the column with describing words for that character. Decorate your paper.
<b>Venn</b> Create a Venn diagram showing at least four ways that show how Georgina's and Toby's life is like a normal kid's life, and four ways their life is very different.	<b>Plot Mountain</b> Create a plot mountain diagram for the story. Add illustrations. You may use the example in your reader's notebook.
<b>One Year Later</b> Pretend you are Georgina or Toby, and write a chapter describing how their life might be one year later.	<b>Your Own Idea</b> If you have an idea for a project you'd like to do, run it by me...the more unique, the better.

# How to Steal a Dog
